We truly thank those who supported our young race in 2016, as we know that you have many options. We plan on improving on what we started and one area is increasing and **guaranteeing the 1 place auction points to 5,000 in 2017**. Stay tuned to www.acpigeons.com for further updates. Additionally, possibly 3 auctions (2 down south and 1 up north), plus South and North end shipping night pickups. **We encourage you to put a sound breeding plan together, because 2017 can be your year.**
