

Greetings Fellow Fanciers!!

Hopefully, your breeding program is going well and you have healthy youngsters available to support a key 2021 Futurity Race. If so, we ask that you please consider supporting the Annual Atlantic City 300 miles Futurity Race.

## How can you support us?

### 1st: FREE METHOD:

You can easily support the event by sending up to 5 youngsters to the single 3/28/21 auction. We recommend shipping them up to 7 days prior to help minimize stress on the birds. **YOUR ONLY EXPENSE IS THE COST OF SHIPPING.** Your bird(s) will have a chance to win 50% of all capital points:
